On January 3, 1961, Detective [redacted] Bureau of Special Services, New York City Police Department, (BSS, NYCPD), advised that he had interviewed [redacted] following a FAN meeting which was held on December 4, 1960, at the Lotus Restaurant, 228 East 86th Street, New York City.

b6
b7C

According to [redacted] own statement made to Detective [redacted] FAN was founded in September, 1960, and is national in scope. [redacted] further stated that he [redacted]

On January 9, 1961, Detective [redacted] advised that on January 8, 1961, GILBERT ROBERT DE MELLO, then self-identified as leader of the New York City Chapter of FAN, stated that the headquarters for FAN in New York City was then located at 175 East 89th Street, New York City.

Detective [redacted] further advised that 175 East 89th Street, New York City, was a television and radio repair shop operated by one, [redacted] who was in attendance at the FAN meeting held on December 4, 1960 at the Lotus Restaurant, 228 East 86th Street, New York City.

On May 8, 1962, Detective [redacted] advised that FAN first made an appearance in New York City, in October, 1960, when a small group, led by [redacted] a member of the American Nazi Party (ANP), picketed against JOHN F. KENNEDY, then a Presidential candidate.

NY 157-195

A characterization of the ANP is contained in the Appendix section of this report.

On May 8, 1962, NY T-1 advised that FAN is a front group of the ANP with headquarters in Washington, D.C.

NY T-1 stated that the New York Branch of FAN has no actual headquarters, but utilizes Post Office (PO) Box 220, Murray Hill Station, New York 16, New York, as a mailing address.

On July 12, 1962, NY T-1 advised that FAN, which formerly utilized PO Box number 220, Murray Hill Station, New York 16, New York, as a mailing address, has used PO Box number 130, Highbridge Station, New York 52, New York, as a mailing address since the latter part of June, 1962. This source further advised that FAN, New York City, has as yet no actual headquarters.

On June 26, 1962, Detective [redacted] previously mentioned, advised that FAN, New York City, had relinquished PO Box number 220, Murray Hill Station, New York 16, New York; and henceforth, would use PO Box number 130, Highbridge Station, New York 52, New York, as a mailing address.

b6
b7C

According to Detective [redacted]
[redacted] was obtained on June 14, 1962, by [redacted]
[redacted] mother of
[redacted] same address.

NY 157-195

On July 12, 1962, NY T - 1 advised that [redacted] ANP member, who had been specifically designated as organizer of FAN, New York City, by GEORGE LINCOLN ROCKWELL, Leader of the ANP, had in turn appointed [redacted] mentioned above, to the position of Provisional Leader of FAN, New York City, in the latter part of June, 1962.

b6
b7C

B. Aims and Purposes

On December 4, 1960, [redacted] then self-identified as New York State Director of FAN, advised Detective [redacted] previously mentioned, that he, [redacted] is striving to make FAN a militant and active "anti - Zionist - Communist" Organization in the New York area.

[redacted] stated at that time that his plans call for publishing a periodical, bulletins, pamphlets, and other material which would disclose the progress of "Zionist anti - Americanism".

On February 27, 1961, NY T - 2 made available a booklet entitled "Swastika Smearbund", written by JAMES K. WARNER, former National Secretary of the ANP. On page 15 of this booklet, WARNER states that FAN was organized by GEORGE LINCOLN ROCKWELL for the purpose of raising "money from the 'Sissey' Nazis" who didn't have the "courage" to contact ROCKWELL and "to steal" members from other organizations.

NY 157-195

On November 27, 1961, NY T - 4 advised that FAN units were operating throughout the United States as front organizations for the ANP.

This same source advised that FAN units have not been too successful for ROCKWELL because FAN members have tended to unite with groups such as the National States Rights Party (NSRP) and lose their identity as FAN members.

NY T - 4 further advised that FAN was organized for the purpose of obtaining new members for the ANP since ROCKWELL felt that even though individuals might not be too receptive to the ANP at first, after participating in FAN activities, they would be inclined to seek membership in the ANP. According to the source, this idea has not been worked out as successfully as ROCKWELL had hoped.

A characterization of the NSRP is contained in the appendix section of this report.

NY T - 1 advised on May 8, 1962 that FAN, New York City, was formed under the direction of GEORGE LINCOLN ROCKWELL, Leader of the ANP, Arlington, Virginia, and it is composed of individuals who are in sympathy with the aims and purposes of the ANP, but who are reluctant to expose themselves publicly as ANP sympathizers. These individuals are urged to participate in picketing Communist sponsored affairs in New York City so that FAN, New York City,

NY 157-195

creates the impression of being strictly an anti - Communist organization. Although not openly anti-Semitic, these individuals give inference of being anti-Semitic through the use of armbands, they wear and placards they carry while picketing

NY T - 1 further advised that the names of individuals from the New York City area who correspond with ROCKWELL in Arlington, Virginia, are furnished by ROCKWELL to a FAN representative from New York City. The FAN representative then contacts these individuals in hopes of encouraging them to participate in FAN activities in the New York City area and so influence them that they will eventually apply for membership in the ANP.

NY T - 1 stated that although FAN, New York City, has no formal membership list, individuals who participate in FAN activities consider themselves FAN members.

On May 29, 1962, NY T - 4 advised that GEORGE LINCOLN ROCKWELL, Leader of the ANP, intends to use the New York City Chapter of FAN to eventually establish a branch of the ANP in New York City, but that, to date, there has been no activity in this regard.

C. Membership and Recruitment

On November 7, 1960, NY T - 2 advised that [redacted] a member of the ANP, then residing at [redacted] had organized an anti-JOHN F. KENNEDY picket line on the evening of October 27, 1960 in front of the Hotel Biltmore, New York City, where Democratic Party headquarters was located. The picket

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

NATIONAL STATES RIGHTS PARTY

Issue Number 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that Edward R. Fields, the Information Director of the NSRP, is the individual who "runs the NSRP".

The March, 1959, issue of the Anti-Defamation League Bulletin contained an article by Jerome Bakst entitled "Angry Young Men of Hate". Regarding Edward R. Fields, the article stated, "Fields, 26 years old and a Louisville chiropractor, is a key figure in the National States Rights Party and co-ordinator of all its activities, contacts, and liaison with leaders of other hate groups. He apparently started Jew-baiting in his teens, aided Stoner in the Christian anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractory school in Davenport, Iowa. There, early in 1954, according to newspaper reports, he pasted anti-Jewish stickers on store windows during Brotherhood Week".

A source advised in May, 1961, that Dr. Edward R. Fields participated in the disturbance at the Trailways Bus Station, Birmingham, on May 14, 1961, involving the "Freedom Riders" and, in fact, caused the fighting there.

The Ku Klux Klan has been designated pursuant to Executive Order Number 10450.

NEW YORK COUNCIL TO ABOLISH THE HOUSE
UN-AMERICAN ACTIVITIES COMMITTEE

On March 9, 1961, a source advised that the New York Council To Abolish the Un-American Activities Committee (NYCAUAC), 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee To Abolish the Un-American Activities Committee (NCAUAC).

A second source advised on September 17, 1952, that FRANK WILKINSON was a Communist Party member as of September, 1952.

A third source furnished on September 14, 1961, a copy of resolutions of the New York Council to Abolish the House Un-American Activities Committee (NYCAHUAC) which were adopted by the NYCAHUAC. One such resolution affirmed the intention to continue to work for the abolition of the House Committee on Un-American Activities (HCUA) and to continue its efforts to broaden the participation in this fight. Another resolution accepted as a modus vivendi the suggestion of the Field Representative of the "National Committee to Abolish the HCUA" (NCAHUAC) namely that local abolition committees may identify and co-ordinate their efforts as closely as they desire with NCAHUAC, still maintaining their autonomy for as flexible and independent a program as possible.

Various sources have advised during March, 1962, that Communist Party (CP) members in the New York City area have been solicited to support activities of the NYCAHUAC during attendance at CP club meetings.

On June 6, 1962, the first source advised that the NYCAHUAC continues to function from its office at 150 West 34th Street, New York City, New York.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized as an anti-communist organization in September, 1960. ROCKWELL said it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLF HITLER.

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against communism. Soon these individuals join the ANP, ROCKWELL said.

A source advised on February 17, 1961, that in talking to [redacted] ANP, [redacted] stated there is no legal connection between FAN and ANP but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.

FIGHTING AMERICAN NATIONALISTS,
NEW YORK CITY

On May 8, 1962, Detective [redacted] Bureau of Special Services, New York City Police Department (NYCPD), advised that the Fighting American Nationalists (FAN) first made an appearance in New York City in October, 1960, when a small group picketed against JOHN F. On July 12, 1962, a source advised that FAN, a front group of the American Nazi Party (ANP), formerly utilized P. O. Box 130, Highbridge Station, New York 52, New York, as a mailing address. The source stated that FAN, NYC, has no actual headquarters.

According to this source, FAN, NYC, was formed under the direction of GEORGE LINCOLN ROCKWELL, leader of the ANP, Arlington, Virginia, and is composed of individuals who are in sympathy with the purposes of the ANP, but who are reluctant to expose themselves publicly as ANP sympathizers. The source further advised that [redacted] a member of the ANP, who had been specifically designated by GEORGE LINCOLN ROCKWELL as organizer of FAN, NYC, had appointed [redacted] in the latter part of June, 1962, to the position of provisional leader of FAN, NYC.

He advised that unknown to him the group he had formed in Reading, Pa., has been designated as a "FAN Group" and that he had recently received clippings from the Baltimore Sun newspaper listing various local FAN groups and one mentioned was located at Post Office Box 1432, Reading, Pa. Referenced letterhead memo did not contain a characterization of the Fighting American Nationalists. Immediately submit amended letterhead memo setting forth the characterization of this organization. Score appropriate personnel with form error.

A separate letter is being directed to your office containing instructions that you should initiate investigation of subject organization in your territory immediately.

Your airtel points out that the Baltimore Police Department ascertains the identity of the leader of a demonstration and does not ascertain the identity of the other participants unless there are arrests made or there is a disturbance. This highlights the fact that you must develop informant coverage in this organization so that you will be aware of the persons who actively participate in these demonstrations.

In future communications from your office setting forth that subject organization has participated in a public demonstration, efforts should be made to obtain the names of those persons participating. One effective way to accomplish this is through police department cooperation.

AMERICAN NAZI PARTY, ALSO
KNOWN AS WORLD UNION OF FREE
ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

APPENDIX

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of "The New York Times" newspaper contains a full page advertisement captioned "What Is Really Happening In Cuba," placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself and ROBERT TABER as organizers of the FPCC. He also testified he and TABER obtained funds from the Cuban Government which were applied toward the cost of the afore-mentioned advertisement.

On October 3, 1960, a source advised that the Socialist Workers Party (SWP) in New York had become active in the FPCC, and that SWP members, in an FPCC election, had been able to remove several Communist Party (CP) members who were on the Executive Board of the FPCC and gain control of the organization.

A second source advised that an announcement from National Headquarters of the SWP was made on September 24, 1961, to the effect [redacted] had fired the secretary in the FPCC headquarters and was trying to break the SWP influence in the FPCC.

b6
b7C

Column 2, page 8, of the February 22, 1962, edition of "The New York Times" contains an article captioned, "CASTRO Backer Resigns," which announced that ROBERT TABER had resigned as Executive Secretary of the FPCC and as President of the Institute for the Improvement of Inter-American Relations, Incorporated, which had organized the FPCC in April, 1960.

On May 17, 1962, a third source advised that National Headquarters of the FPCC is located in Room 329 at 799 Broadway, New York City, and that the FPCC is operating under the direction of [redacted] Acting National Executive Secretary of the FPCC.

The SWP and the CPUSA have been designated pursuant to Executive Order 10450.

[] further stated that even if it were possible for him to be readmitted as a member of the ANP, he would not care to rejoin the ANP since he would have to relinquish his job as a printer in New York City. [] further stated that [] can hardly sustain an organization which consists of one man, and stated that when he is released from jail [] might possibly join with Dr. EDWARD FIELDS of the National States Rights Party (NSRP) in Birmingham, Alabama. [] stated that [] had been offered a position with the NSRP by Dr. FIELDS and felt that since the American National Party has virtually gone out of existence, [] would accept Dr. FIELDS' offer.

b6
b7C
b7D

Concerning the Nationalist Party, 507 Fifth Avenue, New York City, [] stated that "LUKE DOMMER is the Nationalist Party". [] advised that by this he meant the Nationalist Party has no real membership, no headquarters and personal friends and acquaintances of DOMMER support him in the picketing activities of the Nationalist Party (NP). [] related that the extent of NP activity depends entirely on the personal whims of DOMMER and because of this NP activity is limited, sporadic and ineffective. [] stated that the NP is often credited with having a large membership and explained that this inaccuracy is produced by the NP joining with members of various conservative organizations in picketing Communist Party (CP) and CP front activities.

[] related that he, himself, is comparatively inactive, but advised that his beliefs as a white supremacist remain firm. He stated that should ROCKWELL contact him in the future, he would advise the NYO of such contact and furnish any pertinent data.

Re: National Renaissance Party
Internal Security - R

On January 14, 1963, Detective [redacted], Bureau of Special Services, New York City Police Department, advised that on Friday evening, January 11, 1963, from 8:30 PM to 11:45 PM, a meeting of the National Renaissance Party (NRP) was held at the Yorkville Labor Temple, 157 East 86th Street, New York City, with about 65 persons present.

b6
b7c

The first speaker of the evening was [redacted] Chairman of the meeting, and his topic was 'Past and Present Goals of the National Renaissance Party in Yorkville'. [redacted] said a new youth group of the NRP was being formed, and would include individuals between the ages of 17 and 35. This group will wear uniforms, hold private meetings, and provide protection for James H. Madole, NRP Leader, during outdoor meetings of the NRP.

James H. Madole, NRP Leader, next spoke against the Jews and Israel's 'Invasion of the Middle East'. Madole said that the NRP would distribute literature throughout the east side of New York City to inform people of the NRP's stand on various political issues, and to influence local and state elections.

Madole was followed by [redacted] NRP member, who launched an anti-semitic tirade against the late Eleanor Roosevelt and against the late George Sokolsky, newspaper columnist.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

The final speaker was one, [redacted] whose topic "Myth of Racial Equality", dealt mainly with quotations from various anti-negro periodicals.

b6

Detective [redacted] advised that Madole informed him that the NRP would hold monthly meetings at the Yorkville Labor Temple every second Friday, and in May, 1963, intended to hold outdoor meetings in Yorkville at the corner of 86th Street and Third Avenue, New York City. Madole stated that NRP youth group would appear at these outdoor meetings in uniform for the purpose of protecting Madole from any possible assault.

Detective [redacted] stated that observed in attendance at the aforementioned NRP meeting were Luke and [redacted] of the Nationalist Party (NP), and [redacted] and [redacted] of the Fighting American Nationalists, New York City (FAN, NYC).

Detective [redacted] stated that there were no incidents during the above meeting.

Characterizations of the NRP, NP, and FAN, NYC, are attached hereto, and sources mentioned therein have furnished reliable information in the past.

National Renaissance Party

APPENDIX

1.

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE at 10 West 90th Street, New York City.

The Un-American Activities Committee of the US House of Representatives, in a Preliminary Report, dated December 17, 1964, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

National Renaissance Party

NATIONALIST PARTY

On June 28, 1962, Detective [redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that the Nationalist Party (NP) was formed on September 21, 1961, and although it has no actual headquarters, continues to maintain a "mail drop" at 507 Fifth Avenue, New York City.

b6
b7c

Detective [redacted] further advised that although LUKE DOMMER has no official title as an officer of the NP, he in actuality controls the activities of the NP.

Detective [redacted] stated that even though activities of the NP consist of anti-communist demonstrations, members of the NP have in the past exhibited anti-semitic sympathies, and stated that LUKE DOMMER mentioned above attended a meeting of the Fighting American Nationalists (FAN) which was held in New York City on December 4, 1960.

On August 2, 1962, a confidential source advised that the NP activities are openly anti-communist. However, this source stated, members of the NP have strong anti-semitic sympathies which they do not reveal openly since they feel disclosure of such sympathies would lose many supporters for the NP.

The above source further advised that the NP continues to join with other organizations in anti-communist demonstrations thereby giving the impression of having a greater membership than it actually has.

"Within the next month the Fighting American Nationalists will announce the appointment of a national leader, who is a leading fighter in the battle for the preservation of states rights and the destruction of the anti-communist forces which are dedicated to the creation of racial chaos. The hidden leaders of C.O.R.E. the NA.A.C.P. and other communist fronts will, through the active force of F.A.N. be uncovered and punished as traitors to these United States.

"On Wednesday, Oct. 10 F.A.N. will have a massive picket line at the 5th Regiment Armory, in Baltimore, to protest the political appearance of President Kennedy. We shall have signs which will point out the demagogic actions of the KENNEDYS in regards to their illegal use of force against the sovereign state of Mississippi and its great Governor ROSS BURNETT. We of F.A.N. are determined to awaken the white citizenry of these sovereign U. S. and encourage them to actively oppose the anti-communist forces which the KENNEDYS claim do not exist in this country. F.A.N. is primarily a youth organization whose purpose is to awaken our future citizens to their responsibilities and to teach them that action on the streets is the only program which can effectively defeat the pro-communist forces in the political, economic and sociological fields of this, and other nations which are threatened by this insidious menace."

This press release was signed by CHARLES LUTHARDT, National Publicity Director.

III. ACTIVITIES OF FAN

A. Demonstration at Westminster, Maryland, August 11, 1962

The issue of August 12, 1962, of the Sun newspaper, Baltimore, Maryland, reflected that on August 11, 1962, approximately 20 members of the Congress of Racial Equality (CORE) tested Westminster's anti-picketing law and also staged sit-ins at local restaurants. The group was confronted with opposition by a youth organization known as the Fighting American Nationalists, whose members wore red, white and blue armbands bearing the initials "FAN."

A pamphlet distributed by FAN demonstrators indicated the aims of the organization include "the application of radical tactics and aggressive battling for the conservative and traditional ideals of our American constitutional republic and our white race." Some members of FAN carried placards linking the National Association for the Advancement of Colored People and CORE with communism. Other placards termed race-mixing "anti-Christian."

B. Demonstration at Riverside Park Swimming Pool, Baltimore, Maryland, August 28, 1962

The issue of August 29, 1962, of the Baltimore Sun newspaper, Baltimore, Maryland, reflected that at a demonstration concerning integration of the swimming pool at Riverside Park conducted by the National Association for the Advancement of Colored People (NAACP), the Fighting American Nationalists carried picket signs, some of which read "Reds Push Race Mixing", "White People Have Rights Too" and "Washington, D. C. is a Black Jungle, Ocean City, next."

C. Demonstration at the Fifth Regiment Armory, Baltimore, Maryland, October 10, 1962

On October 10, 1962, [REDACTED] advised that while attending a meeting of FAN held in Anne Arundel County, Glen Burnie, Maryland, he ascertained that FAN planned to stage a demonstration at the Fifth Regiment Armory in Baltimore in connection with the appearance of JOHN F. KENNEDY. The purpose of the demonstration was to criticize the President's actions in connection with the recent racial

b6
b7c

BA 157-502

disturbances in the State of Mississippi and because of the belief by FAN, that members of CORE were to picket at the Fifth Regiment Armory in a protest for more rights for Negroes.

On October 18, 1962, ROY E. FRANKHOUSER, JR., Reading, Pennsylvania, self-admitted member of FAN, voluntarily advised SA [redacted] Philadelphia Office, that on October 10, 1962, there had been two car loads of FAN pickets at the Armory in Baltimore where President KENNEDY spoke. He said the group was late in arriving but this was fortunate because the President was also late. He related that KENNEDY was booed and cursed by a large number of pickets as he arrived and left the Armory.

b6
b7c

D. Demonstration at Stanton Theater, Baltimore, at the Appearance of SAMMY DAVIS, JR., Entertainer, December 8, 1962

On December 10, 1962, [redacted] Central District, Baltimore, Maryland, Police Department, advised that eight members of the Fighting American Nationalists, a racial organization, picketed in front of the Stanton Theater, Baltimore, in protest of the appearance there of SAMMY DAVIS, JR., Negro entertainer.

These eight members were joined by five more picketers, allegedly from the New York Chapter of the organization. The group was led by CHARLES LUTHARDT, Box 305-A-12, Route 1, Stone Haven, Glen Burnie, Maryland. The segregationists carried signs reading: "Integration Stinks," "SAMMY Do Not Come to Baltimore Again," and "Stop Rotten Red Race Mixers."

[redacted] advised that the picketers conducted themselves in an orderly manner and that there were no disturbances or arrests. He stated the picketing began approximately 7:10 p.m., and was discontinued at 8:40 p.m.

The forming of this new organization was decided upon by Rockwell and Burke, who feel that an organization purely Anti-Negro and against integration will have greater membership appeal than one also advocating Anti-Semitism and other hate philosophies.

AMERICAN NAZI PARTY

Also Known As World Union of Free
Enterprise National Socialists,
George Lincoln Rockwell Party

A source advised on February 27, 1959 that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become the President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

On September 20, 1962, the State Corporation Commission of Virginia issued a charter for a "George Lincoln Rockwell Party". The second source mentioned above advised on September 24, 1962 that ROCKWELL will continue to carry on his activities, using the name American Nazi Party merely to be able to do business as a corporation.
